STTP LTD July 2010

and Tutor

What are Directed Tasks?

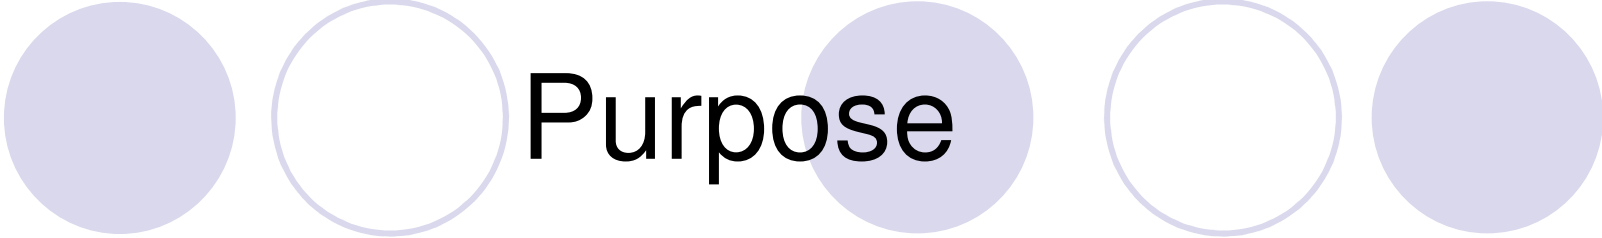

A directed and planned training opportunity which has a clear learning outcome.

Always consider ‘What am I learning?’ – might be positive or negative experiences!

Three Types

1. STTP Tasks – see checklist for when guidance is given and for what the deadlines are
2. School based Tasks – set by your school based trainer throughout the year
3. Personal Tasks – set through reflection by yourself and agreed with SbT

Purpose

- To research topics and reflect on the impact of them on teaching and learning
- To provide opportunities to deepen understanding of Subject Knowledge for Teaching (attitudes/pedagogy/pupil learning/per se)
- To address areas identified on your INA and TP
- To contribute to your school's priorities
- To meet the Q Standards

Objectives

- Should be written to a high academic standard – i.e. spelling, grammar, clear referencing if used
- BUT should be based in practice – reflections on your actual practice!
- Reflection and evaluation!! What are the outcomes? What are the impacts?
